Replies to the Bidders' Queries Batch-1

Issue Date : 03-Aug- 2021

S.No.	Queries	USF Response
1	Reference financial proposal, 2G/3G/4G written against mandatory Mauzas, however, Sch c showing only 3G RX levels. Please clarify whether we have to audit 3G services or 4G services as well in Jhelum lot.	It was a typo mistake in provided Sch C document . All the mandatory mauzas of Jhelum Lot should be audited for 2G & LTE/4G services. Updated Rx Level sheet will be shared with the registered bidders.
