| 1 | With reference to Schedule C of NG-BSD Nankana Sahib lot ,It is mentioned in that Cellular coverage will be restricted at 500m from international border. However some mandatory mauzas/blocks are found to be less than 500m from the International border. | Schedule C of Draft SSA | Mauzas lying within 500 m of international border have been categorized as optional and operators will ensure restricting the signal as per SOP/procedure applicable in this case. Schedule C has been updated and will be shared with registered bidders seperately. |
| 2 | With reference to Schedule C of NG-BSD Sialkot lot ,21 mauza blocks are encapsulated by the international border in a way that Site cannot be placed 3km from the border to cover these mauzas | Schedule C of Draft SSA | Mauzas lying within specified distance (500m) of international border have been categorized as optional. Operators are allowed to construct BTS sites at least three(3) kilometers away from the international border/LOC and bidders must prepare compliant nominal plans which can cover maximum number of mauzas keeping BTSs atleast 3Kms away from International Borders as per SOP/procedure applicable. The Schedule C has been updated and will be shared with registered bidders |
