1	With reference to Schedule C of NG-BSD Gwadar-2 lot ,It is mentioned in Sch_C (Annex 06) that Cellular coverage will be restricted at 500m from international border. However 1 mandatory mauza/block (Tamp Koh) is found to be less than 500m from the international border.	Schedule C of Draft SSA	Population of the mauza "Tamp Koh" is spread over an estimated area of 5.03 kms . The reference coordinates of Tamp Koh were are to assist the bidders to conduct MIF survey. For the assistance of the prospective bidders reference location & population of the mauza have been revised at a suitable location.Schedule C has been updated and will be shared with registered bidders
