

Supply, Deployment, and Configuration of Trend Micro Endpoint Security or equivalent

1. Clarification:

Please note the clarifications for the below clause :

Clause 6: Evaluation Criteria:

In table 1, the original text is reproduced below:

The bidder must provide contracts/PO, with at least one issued by a federal government department or body, demonstrating the supply of either Trend Micro or the proposed endpoint solution for this tender.

Explanation: The bidder may submit contracts/POs for various Cyber Security Solutions, provided that at least one contract/PO explicitly demonstrates the supply of Trend Micro or an equivalent solution.

2. Clarification:

Please note that the weightage/marks for this criterion was inadvertently mentioned as 10 marks due to a typographical error. The correct weightage/marks is 20 marks, in line with the requirement of a minimum of five (5) contracts/Pos.
